You're Invited!

Community Choices

Open House

Thursday, August 20th

4:00pm-6:00pm

44 E. Main St., Suite 419

Champaign, IL 61820

Come check out our new office, visit with staff members, and get a glimpse of our new look!

Light refreshments will be served. You won't want to miss this!

Your cooperative needs you!

Hannah Sheets is our new Membership Coordinator. Part of her role is giving members ways to make their annual contribution of time or talents. Coming up, we will need:

- Chili Cook-off Committee Members
- Help with moving an individual

If you are interested in helping with either of these, please contact Hannah at

Hannah.communitychoices@gmail.com

Member Shout Out

One of the best things about the cooperative is members getting involved! Each month we will be acknowledging member contributions.

Thank you to the Gorsuch Family for hosting their annual pool party!

College Internship Program

From June 14th to June 26th, Taryn Smith spent a whirlwind experience in Bloomington, Indiana. Why? She was a part of the College Internship Program through Indiana University.

This program supports individuals with disabilities in preparing for life at college. Activities included social events, like going to the movies, swimming in the pool, and bowling. Taryn also learned important life skills like organization, budgeting money, and evaluating her feelings.

After her experience with this program, Taryn said she would recommend it to others. She notes, "I went there to get a taste of independence and confidence in myself."

Spotlight on Savannah

Congratulations to our very own Savannah, who celebrates her one-year anniversary of volunteering at Clark-Lindsey Village this month!

Savannah works in the Social Living department and assists the residents there in making art projects as a group. She also passes out the refreshments afterwards. Her supervisors all rave on what a delight it is to have Savannah working in their department.

Savannah notes, "My favorite part is the arts and crafts. I also like helping people." If you see Savannah, be sure to congratulate her on this milestone. We are all very proud of her here at Community Choices. Way to go, Savannah!
