

THE HEALTHCARE PROFESSIONALS' GUIDE TO WORKING WITH PATIENTS WITH DEVELOPMENTAL DISABILITIES

GOAL	WHAT PATIENTS CAN DO	WHAT HCPS CAN DO	WHAT SUPPORT PEOPLE CAN DO
<p>HCPS UNDERSTAND THAT I HAVE A ROLE AND VOICE IN MY HEALTHCARE - IT'S MY BODY</p>			
<p>HCPS ADJUST TO HOW I COMMUNICATE AND RESPOND IN A WAY I CAN UNDERSTAND</p>			
<p>HCPS FOCUS ON ME AND USE MY SUPPORT PEOPLE AS A RESOURCE NOT A STAND-IN FOR ME</p>			

**PLEASE UNDERSTAND HOW MY DISABILITY COULD AFFECT MY CARE,
BUT TREAT ME LIKE ANYONE ELSE.**
